Dear Parent/Carer

**Year 11 – A refresher in guidance and help in preparing for Year 11 final exams**

As we approach the final summer exam period, we would like to invite you to an additional Information Evening that is being held on **Thursday 27 February from 5pm – 6.30pm**. During the course of the evening you will have the opportunity to listen to presentations that will provide some strategies and advice about how to support your son as he approaches the main period of revision and preparation for his summer exams. This session will be building upon many of the ideas tackled during a Parents' Information Evening earlier in this academic year, but will be focussed purely upon exam preparation.

The evening will start in the Main School Hall and then move to a carousel for subject specific revision techniques. We would encourage you to bring your son along to the session so that he is able to listen to the guidance and advice too. If you would like to attend the evening, please complete and return the slip below to the school office by Friday 7 February 2020.

Yours faithfully

**Mrs A Angell**
