DR/JB

Dear Parent/Carer

In order to support your son/daughter's studies in Mathematics at A Level, he/she will be issued with a range of textbooks for this academic year. However, due to the volume of textbooks that remain unreturned from previous years, we must ask for a deposit of £20 per student. These textbooks should be brought to every lesson as they will provide a useful resource when completing class work and preparing for the examinations. At the end of the two-year course, borrowed textbooks should be returned to the LRC in an acceptable condition. Deposits will be returned following students returning all textbooks in an acceptable condition.

The textbooks covered by the deposit are as follows:

Year 12

Pure Mathematics Year 1 ISBN: 978-1292183398

Statistics and Mechanics Year 1 ISBN: 978-1292232539

Year 13

Pure Mathematics Year 2 ISBN: 978-1292183404

Statistics and Mechanics Year 2 ISBN: 978-1446944073

This item will appear on your ParentPay account to enable payment to be made. Please make payment by Friday 18 September. If you have any further questions regarding the above, please do not hesitate to contact me at school.

Yours faithfully

**Daniel Roberts**

Second in Mathematics
