Northgate Sleaford Lincolnshire NG34 7DD Headteacher N M Law

22 April 2014

Dear Parent/Carer

At the start of the summer term I would like to take this opportunity to update you about some of the changes that have taken place, and publish some reminders to help the school to run smoothly.

#### **Examinations**

The examination season is once again upon us and I would ask that parents encourage their sons and daughters to adhere to a revision programme in the weeks before the examinations; I would hope that they have used their Easter break profitably. For students taking external examinations, additional support sessions are available for the majority of subjects, and students should take advantage of these.

- A Formal Assessment week for Year 9 students is currently taking place.
- Internal examinations for Year 10 exams begin during the week commencing Monday 28 April a timetable has already been issued to the students.
- The main session for external GCSE and GCE examinations begins on Monday 12 May.
- Internal examinations for Year 7 and 8 students will take place during week commencing Monday 30
  June.
- GCE (AS and A Level) results will be available on Thursday 14 August at 9am for Year 13 students and from 10am for Year 12 students.
- GCSE results are published on Thursday 21 August and will be available from 9am.

## **Study Leave**

### Year 11 students

For Year 11 students, the last day of teaching will be on 15 May. This means that from 16 May onwards Year 11 students will only have to be in school during their actual exams. It is the responsibility of each individual student to ensure that they are in school for their exams at the correct time, as there can be no appeal merely for mixing up the days or times of the exams.

## Year 12 Students

Formal study leave will begin on Monday 12 May and last until Tuesday 10 June. During this period students will only be required to attend lessons in those subjects for which they have not yet taken their exam AND those subjects which are coursework-based. They will not be required to register with their form tutors in the morning or be on site during their free periods, although form tutors will still be available for support and guidance each morning and students are still welcome to use the study facilities during the school day.

The first formal day of A2 study will be Wednesday 11 June, although it should be noted that those students who study Mathematics at Carre's have one last exam on Thursday 12 June. We have deliberately delayed the return date to Wednesday 11 June to accommodate students wishing to visit the Higher Education event being held at Lincoln University on Tuesday 10 June, which we would encourage them to attend.

The six weeks from 11 June until the end of term represent a significant unit of work for Year 12 students and serve to remove some of the pressure for Year 13. They will also incorporate the start of UCAS and destination planning for all students. Excellent attendance, therefore, is vital.

## Year 13 Study Leave

Normal lessons and registration arrangements will be in place up to the end of Term 5 (Friday 23 May). If a student has an examination during this term they can have study time in the morning before an afternoon examination. From the beginning of Term 6 (Monday 2 June) students need only attend lessons for those subjects with examinations still to be taken. Students will not be required to register with their tutor in the morning but they should sign in and out of school. For subjects with 100% coursework, they should attend classes until this has been completed.

## Sleaford Joint Sixth Form Induction Days for Year 11 Students

The SJSF Induction Days will take place on Wednesday 25, Thursday 26 and Friday 27 June 2104. These days are effectively the start of the Sixth Form courses and will enable students to make a smooth transition into Year 12. All Year 11 students who intend to return to the Sixth Form are expected to attend.

#### Staff News

Our congratulations go to Nigel and Shay Stephenson on the birth of their daughter, Amelie.

#### **Student Achievements**

These are detailed in the Carrensian, which can be accessed on the website, or via the link below.

### **Pupil Premium**

From April 2014, schools in England can receive the Pupil Premium for children adopted from care or who left under a Special Guardianship Order (SGO) on or after 30 December 2005. Schools can also claim the Pupil Premium for children who left care under a Residence Order (RO) on or after 14 October 1991.

For the school to claim the Pupil Premium for adopted children, and those who are the subject of a SGO or RO, parents will need to inform us and provide supporting evidence, for example, the Adoption (Court) Order. Please be assured that any information related to this will be treated in the strictest confidence.

### **Curriculum Enrichment Day**

The next Curriculum Enrichment Day is on Monday 30 June. All students, including students in Year 12, will be off their normal timetabled lessons for this day and will be involved in projects in their year groups. Further details will follow.

#### Cars on the School Site

May I remind parents that we do not allow the dropping off of students on the school site after 8am for safety reasons. Similarly, in the afternoons, parents should not bring cars onto the site before 4pm.

## **Communications and Contact Details**

We have had incidences where parents have gone away on holiday, sometimes abroad, and left their child in the care of another family member or friend. If this is the case, please ensure that you have notified the office with full contact details in case of emergency or sickness.

Those of you telephoning the school will notice that we now have a message that calls may be recorded. This is in common with many call systems nowadays. The governors requested that this be introduced for the times it offers an ability to record the occasional aggressive and sometimes intimidating call received. This allows better protection for staff who are entitled to an acceptable level of respect and dignity whilst at work. For the vast majority of calls this will make no difference to the effectiveness and constructive nature of the conversations we enjoy.

## **Office Opening Hours**

For your information, the school office is open between 8.15am and 4.45pm Monday to Friday, and between 9am and 1pm on weekdays during most school holidays.

## **Cashless Catering**

4 July

New Intake Day

Please may I remind parents once again to ensure that there are always sufficient funds on their child's ParentPay account, as overdrafts have not been permitted for some time.
