Dear Parent/Carer

**Concert Trip to the Royal Centre, Nottingham**

Several students have expressed an interest in going to see a concert at the Royal Centre, Nottingham on Saturday 25 March.

The concert programme consists of a number of Great Sci-Fi Movie themes, including Star Wars, Avatar, Doctor Who, Independence Day, Back to the Future, E.T. and many more.

The chance to see a large, professional orchestra play live is an invaluable experience for all those studying GCSE and A Level Music, and is inspirational for all those learning to play an instrument. Film music also features in both the GCSE and A Level specifications.

The cost of the trip will be approximately £20 per student, including ticket price and coach travel to and from Nottingham. Spaces may be available on the coach for other family members, although this will be at an increased cost of approximately £30 (we are only able to get discounted tickets for our students). Please understand that priority will have to be given to students. I will confirm final details, including a definite price, as soon as possible. I expect to be leaving school at 5.30pm, returning at approximately 11pm.

Please return the attached slip as soon as possible (by Friday 10 February) so that I can check if there is enough interest to make the trip viable. I will then work out exact costs and send you further information. Please do not send any money at this stage. Once the trip is confirmed the cost will appear on your child's ParentPay account.

Thank you for your support: I hope that you are able to join us at what looks like a very enjoyable and inspiring concert.

Yours faithfully

**Mrs R Quinton**  
Head of Music
