Dear Parent/Carer

We are taking a team to the Heats for the Games Workshop Warhammer 40,000 School League Championship in Lincoln city centre. The School League Championships is a national competition that focuses on the Games Workshop hobby. It celebrates all the skills involved in collecting, modelling, painting and gaming with Citadel Miniatures in a friendly and competitive environment. For the Heats, our team of four students will play three games of Warhammer 40,000 against teams from other schools. It is an exciting opportunity for our students with the national semi-finals and finals held in Nottingham. As you know, last year the team did exceptionally well.

The local heat that we are attending is at the Lincoln Warhammer store, on Saltergate, on Saturday 11 February. The store opens at 10am, with the event starting shortly after, so students will need to take a packed lunch. The event should have finished by 3pm. If your son requires transport to and/or from the event, then please let me know as soon as possible.

Please could you complete and return the permission slip below to allow your son to attend the event.

Yours faithfully

Edmund White
